

Priority Service Agreement Contract

- Your heating and cooling system is one of the most important pieces of equipment in your home/office
- A bi-annual tune up is the key to maintaining your hvac system's efficiency, reliability, and performance.
- Resulting are lower power bills and less costly repairs.
- Manufacturers require bi-annual tune ups to maintain the equipment warranty.
- Our technicians perform a thorough inspection to ensure your heating and cooling system is operating at its peak efficiency

Benefits

- Never Pay An Overtime Rate On A Service Call
- 10% Off Total Invoice On Any Repairs
- Priority Customer Status (We Come To You First In Front Of All Nonpriority Customers)

Planned Maintenance - Two tune up calls each year - one for heating and one for cooling season. Purpose: to inspect, clean system and to advise you of any needed repairs (No repairs are made without your approval); to prevent breakdown and maintain efficiency. Our inspections and checks include the following:

proper voltage
heat exchanger
pulleys and belts
contacts and relays
check air filters
electric strip heaters
condensate pump

proper refrigerant level
electrical connections
clean blower assembly
oil motors
clean burners/orifices
check ductwork
check proper system airflow

clean indoor coil
clean condenser coil
clean condensate drain
visible refrigerant leaks

Priority Emergency Service - Should you have a breakdown, our own dispatched service technicians will respond to your call as a priority service call. We service our Priority Service Agreement customers first.

Discount on Repairs - When you become a Dynamic Mechanical Service Priority Service Agreement customer you are entitled to a 10% discount on labor and parts for repairs.
